# Challengers

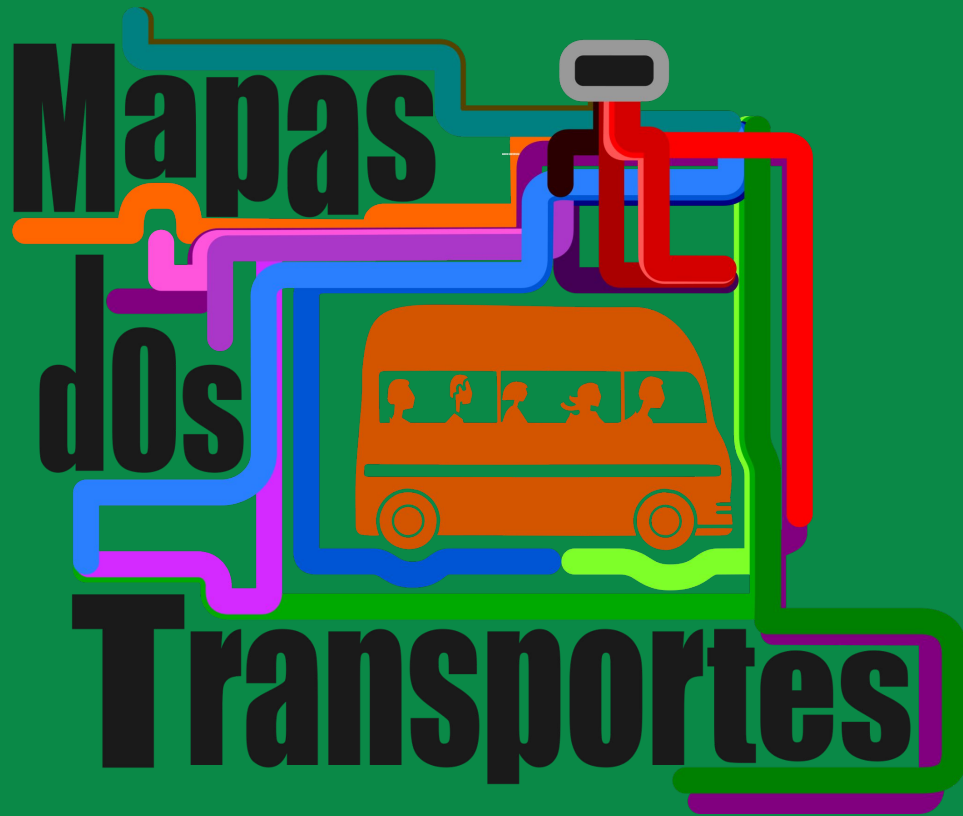

→ Method fatigue?

→ Managing the massive numbers that we started to produce

→ Introduction of new technologies in the field

# Mapas dos Transportes

A stylized graphic featuring a central orange bus with silhouettes of passengers. The bus is surrounded by a complex network of thick, colorful lines in shades of blue, purple, red, and green, which represent various transport routes. The text 'Mapas dos Transportes' is written in a bold, black, sans-serif font, with the words stacked vertically and partially overlaid by the colorful lines. The entire graphic is set against a solid green background.
